

John Cusick, CFA

Portfolio Manager

John Cusick, CFA, Portfolio Manager, focuses on midstream energy including master limited partnerships (MLPs), utilities, and infrastructure companies. Before joining Miller/Howard in 2013, he was a senior vice president and research analyst at Wunderlich Securities Inc. in New York, covering energy including partnerships focused on natural gas, liquids, and exploration & production. Prior to that, John spent more than a decade at Oppenheimer & Co. beginning his career as a junior analyst on the energy team covering major oil companies, refiners, and exploration and production companies and then as a senior research analyst specializing in the midstream sector. He earned his BA in Finance and Marketing from Temple University, and an MBA in Finance from Fordham University School of Business in New York City.

Miller/Howard Investments Inc. is an independent, research-driven investment boutique with over three decades of experience managing portfolios for major institutions, mutual funds, and individuals. The firm is 100% employee-owned through an Employee Stock Ownership Plan (ESOP).

The firm invests in high quality stocks with strong balance sheets, governance, and fundamentals, as well as the ability to pay and willingness to increase dividends. Our portfolios invest in infrastructure, essential services, and MLPs (Master Limited Partnerships), as well as diversified portfolios that invest across all sectors. We continue to integrate ESG analysis with financial analysis in our pursuit of companies that have strong commitments to high operational standards, the environment, social responsibility, and good corporate governance. We call this approach *Sustainable Income Opportunities*[™]—investment solutions to match our clients' goals and values.
